condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of any other person and the community.

## FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- (1) The drug offense with which defendant is charged in Count I carries a maximum penalty of life imprisonment, with a mandatory minimum sentence of ten years. There is therefore a rebuttable presumption that defendant will be detained.
- (2) Nothing has been presented to rebut that presumption.
- (3) Defendant is reportedly a citizen of Mexico.
- (4) The United States alleges that his presence in this country is illegal. There is an immigration detainer pending against him. The issue of detention in this case is therefore essentially moot.
- (5) Defendant and his counsel offered nothing in opposition to the entry of an order of detention.
- (6) Defendant declined to be interviewed by this court's Pretrial Services Officer.

## It is therefore ORDERED:

- (1) Defendant shall be detained pending trial and committed to the custody of the Attorney

  General for confinement in a corrections facility separate, to the extent practicable,

  from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is
